It's cold there and is where Santa is Based

One of Santa's reindeers

Put in living room and decorated

Santa's engine

Short for Christmas

Short for Saint Nicholas

Smells nice and made from a wood texture and found in forests

Smoke goes up it

The event that lasts for a month or two

The little people that work the factories and toy shops in the North Pole

The messiah of the Christianity faith

The night before Christmas and a rappers name

The place where the

toys are made by the Santa's staff

They are a winter Saint

They are made from snow

They hated Christmas until he saw the light

They help santa

To be Christmasy and get into the spirit of Christmas

To be happy and festive around Christmas also a word for being slightly drunk

To be happy and Santa is always this when you believe

To give labour

To go around and sing Christmas songs

Too much of this is bad for your teeth

You give and receive

them and are made from cardboard

You give to receive

You got a lot of them

You hang it around the Christmas tree and around your rooms

You hang them up on a Fireplace

You put them on shelves as decorations and can be put out all year round

You shake them in rhythm and is a magical sound of the reindeers magical discharge

You sing them

You sit in them and used to steer the reindeers
